NATIONAL INSTITUTE OF TECHNICAL TEACHERS' TRAINING & RESEARCH, BHOPAL

1. **Course Name: Managerial Skills for Academicians and Administrators.**
2. **Duration: 09-20 December 2019.**
3. **Rationale:** Technical Institutions are undergoing tremendous changes after new policies and changes from of regulatory bodies. Information acceleration further added the complexity of the role of the teacher. There are many challenges like shortage of funds, increasing competition from National and international institutions, shortage of skilled and trained faculty, shortage of resources are facing by institutions. On the other hand, there is a pressure on the institutions perform better and take steps so that the maximum placement and quality teaching and learning

There is a demand for quality educational services. At the same time, there is a need to enhance effectiveness and efficiency in using existing resources to make the best students for the industry. There is also a pressure on the institutions to become global and also meet local needs. Teachers are the key persons who manages the whole gamut of Education. They carry out variety of teaching and learning activities, curriculum Development etc.

If teachers devote considerable time and efforts to re-look at the way of using their managerial skills. For teachers there is a need to sharpen the basic managerial skills like planning, problem solving, decision-making, leadership, managing stress time, thinking skills, conflicts and managing self. Every teacher is manager as he is expected to lead and manage a group of learners who are vibrant, enthusiastic, knowledgeable and competent, not managed properly and not given an opportunity to make use of their tremendous potential, they may create a number of problems for the teacher.
