SALUSTIANO T. JIMENEZ, LLB, CESO V
OIC – Office of the Regional Director
Department of Education (DepEd)
Region VII, Central Visayas

Dear Director Jimenez:

Greetings!

The Philippine Health Insurance Corporation (PhilHealth) will be celebrating its 25th Anniversary on February 14, 2020. One of the highlights of next year's celebration is the conduct of the 1st PhilHealth National Quiz Bee, a competition for Grade 10 to 12 students nationwide.

PhilHealth Regional Office VII rolled out the PhilHealth Learners' Material (PLM) in Central Visayas beginning 2017. Music, Arts, Physical Education, and Health (MAPEH) teachers, coordinators, and education program supervisors were trained on how to use the PLM in teaching Grade 10 students the basic principles, vision, and mission behind the National Health Insurance Program (NHIP), and the concept of social health insurance as a financing mechanism. This aimed to develop knowledge and appreciation of the NHIP in students, and to encourage them to become young advocates of the program.

Building on this initiative, the Corporation will be holding its first ever PhilHealth National Quiz Bee to test and deepen the knowledge of students on PhilHealth and its products and services, to evaluate the PLM, and to encourage adoption of the learners' material by private secondary schools.

To this end, we would like to request an audience with your office at your earliest convenience and present the concept and mechanics of this quiz bee. Briefly on timelines, Division Level contestants have to be determined within August to September 2019 so they can join the Regional Level competition on October to November this year. Regional winners will then compete at the Area Level (Visayas) by November to December to determine who will join the National Level quiz bee on February 14, 2020.

In developing young advocates and champions of our nation's social health insurance program, PhilHealth also hopes to contribute towards DepEd's vision of "Filipinos who passionately love their country and whose competencies and values enable them to realize their full potential and contribute meaningfully to building the nation."

We look forward to your partnership and support in this endeavor.

Very truly yours,

LOURDES F. DIOCSON
